

CURRIER & IVES WATER ACCESS POINTS

1 Cogswell Woods Area, Webster

An access road off of Rt. 127 provides access to the Blackwater River north of the Dam in the Cogswell Woods Area. An open picnic area offers a place to stop and rest. Numbered historic markers show the locations of structures lost during dam construction. A pamphlet from The Society for the Preservation of Old meeting House provides a guided walking tour of those sites.

2 William Pearson Park, Webster

Whitewater kayaking access point located behind the Webster Elementary School on NH 127. This is where the annual ACA Atlantic Division Open Canoe Blackwater Slalom is held each year.

3 Paddler's Access Point, Snyder's Mill Blackwater River Take Out Point, Webster

Whitewater kayaking take out point located on Rt. 127 in Webster just south of the intersection of Tyler Road.

4 Bagley Park, Warner

Access to the Warner River through Bagley Park. Located off of Rt. 103 in Warner, Bagley Park has two large fields, an ice skating rink in the winter months, and access to the Warner Rail Trail.

5 Contoocook Hydro Dam, Contoocook

Shorebank fishing access and a nice view of the Contoocook Depot Bridge. Located on Cedar Street in Contoocook.

6 Stumpfield Boat Launch, Hopkinton

A ramp for motor boats as well as a canoe/kayak put-in are available at the Stumpfield Boat Launch just off of Rt. 202/9 in Hopkinton. This facility is part of the Hopkinton-Everett Lakes complex operated by the Army Corps of Engineers.

7 Elm Brook Boat Ramp, Hopkinton

A ramp for motor boats or put-in for paddlers is available here on Hopkinton Lake. This facility is part of the Hopkinton-Everett Lakes complex operated by the Army Corps of Engineers.

8 Elm Brook Park, Hopkinton

Operated by the US Army Corps of Engineers, Elm Brook Park is a popular recreation spot approximately one mile north of the Byway off of Rt. 127. Visitors can take advantage of swimming, boating, picnicking, playground, and trail facilities.

9 Keyser Pond Boat Ramp, Henniker

Located off of Old Concord Road. A public boat ramp provides access for paddlers and small motorcraft. Keyser Pond Campground provides tent and RV sites as well as rental boats and recreational activities.

10 Azalea Park, Henniker

Azalea Park offers a place for picnicking, with a riverfront walk and rope swing on the banks of the Contoocook in downtown Henniker.

11 Paddlers' Access Point/Contoocook Valley Paper Mill Site, Henniker

This paddlers' access point is located next to Western Avenue Bridge in Henniker. Also at this site, visitors will find the remains of the old Contoocook Valley Paper Mill. A self-guided walking tour will take you past the old mill and its sluiceways.

12 Paddlers' Access Point, Henniker

Informal cartop access point for canoeists and kayaks, located on Western Avenue near the Henniker/Hillsborough town line.
